Enchantments

Each enchantment in the table below includes attributes that are possible for the player to acquire legitimately in Survival mode. Attributes can be changed in the enchantment configuration files.

- **Max Level:** Maximum levels for enchantments.
- **Primary Items:** The items that can receive the enchantment legitimately in Survival mode by using an enchanting table.
- **Secondary Items:** Items that, in Survival mode, cannot receive the enchantment from an enchanting table but can from an enchanted book with an anvil.
- **Weight:** Relative probability of the enchantment being offered.

The most of the enchantments has a configurable per-level probability to be triggered.
